- Inhibits skin inflammation and reduces acne
- Brighten skin tone and improve dull skin
- Increase sun protection and whiten skin
- Strengthens skin barrier function and keeps skin hydrated
- Regulate dry skin problem

AmBeauté

4 KEY INGREDIENTS

Solve Saggy, Wrinkled, Dull, and Dry Skin Problems

1 Collagen Tripep20® From Korea

- Patented ingredients from Korea, extracted from marine fish scales
- A new generation of a minimum unit of collagen, containing three amino acids (Glycine-Proline-Hydroxyproline)
- Unlike ordinary collagen, it can be directly absorbed by the human body, with a higher and faster absorption rate

Effects

- Make skin elastic and younger
- Improve skin elasticity and anti-wrinkle
- Repair wounds and remove acne marks
- Locks in moisture and regulates dry skin problems

Firming

2 Pomegranate Extract From Spain (VIQUA®)

- VIQUA® red pomegranate extract contains 40X polyphenols higher than the ordinary pomegranate juice
- Uses patented ADS® nano-technology to maximize pomegranate effect
- Provides a 24-hour skin rejuvenation mechanism to counteract free radicals and make the skin more youthful and beautiful

Effects

- Anti-aging and anti-wrinkle
- Prevent acne
- Moisturizing and brightening
- Reduce dark spots/blemishes

Anti-wrinkles

3 White Tomato From United States (TOMESORAL®)

- 100% natural and non-GMO white tomatoes from America
- Contains colorless carotenoids, which have an excellent effect on brightening skin tone

Effects

- Invisible protection, whitening skin
- Acts as a natural sunscreen
- Resist oxidative stress
- Protect skin cells

Whitening

4 Ceramide Imported From Japan (Komecera™)

- Rice ceramide which extracted from rice bran by using high technology
- Keep a healthy skin barrier and form a natural protective layer

Effects

- Maintain elasticity and gloss
- Skin hydration
- Anti-allergic and anti-inflammation
- Anti-pigmentation

Moisturizing
